Christmas Challenge

CHRISTMAS TREE STACK

For the biscuits:

- 125g butter softened
- ½ C caster sugar
- 1 egg
- 1 ½ C plain flour
- 1 tsp vanilla bean paste
- 1 tsp finely grated orange rind
- 1 tsp almond extract

For the icing:

- · 2 egg whites
- · 2 tsp lemon juice
- 3 C icing sugar sifted

Plus Christmas themed decorations

OPEN | YEAR 7 - YEAR 12

- 1. Use an electric mixer to beat the butter, sugar and egg in a large bowl until just combined. Add flour, vanilla, orange rind and almond extract. Beat until the mixture just comes together.
- 2. Turn dough onto a lightly floured surface. Gently knead until smooth. Divide into 2 portions and shape into discs. Cover with plastic wrap and place in the fridge for 30 mins to chill.
- 3. Preheat oven to 180°C. Roll out the dough on a lightly floured surface until 3mm thick. Use small, medium and large star-shaped cutters to cut shapes from the dough, rerolling excess. Place on lined baking trays. Bake for 10-12 mins or until light golden. Cool
- 4. Meanwhile, to make the royal icing, whisk the egg whites and lemon juice in a large bowl. Gradually add the icing sugar, stirring after each addition until smooth, adding more icing sugar if necessary to make a thick paste.
- 5. Spread 1 side of the biscuits with royal icing. Sprinkle with 100's & 1000's. Set aside to set.
- 6. Stack the biscuits, from large to small, to make a Christmas tree shape.
- 7. Decorate in a Christmas theme

CHRISTMAS TREE SUGAR COOKIES

For the biscuits:

- 2 ½ cups all-purpose flour
- 1 teaspoon baking soda
- ½ teaspoon baking powder
- pinch salt
- 220g unsalted butter softened to room temperature
- ¾ cup granulated sugar
- 1 large egg at room temperature
- 1 teaspoon pure vanilla extract

For the icing:

- 220g unsalted butter softened to room temperature
- · 2 cups powdered sugar
- 1 teaspoon vanilla extract
- 1/2 teaspoon salt
- 3 tablespoons milk
- · gel food coloring green
- yellow or gold star sprinkles
- Christmas Sprinkles

- 1. Preheat the oven to 350°F/180°C and prepare a large cookie sheet with parchment paper.
- 2. In a medium mixing bowl, combine the dry ingredients for the sugar cookies. Mix together the flour, baking soda, baking powder, and salt. Mix well and set aside.
- 3. In a separate mixing bowl, beat together the butter and granulated sugar until smooth.
- 4. Mix in the egg and vanilla and beat until fully combined.
- 5. Add in the dry ingredients and mix until fully combined and the cookie dough is smooth.
- 6. Cover and place dough inside the refrigerator for 30 minutes.
- 7. When the dough has properly chilled, you can begin scooping. You will need to scoop three sizes of cookie dough for your Christmas trees. Scoop a 1, 2, and 3 teaspoon ball onto each pan, repeating four times for a total of 12 cookies on each pan, in three different sizes.
- 8. Bake the cookies for 6-7 minutes. When done, remove from the oven and allow to cool on a cooling rack until they reach room temperature.
- 9. Once the cookies are at room temperature, begin to prepare your frosting. In a large mixing bowl, combine butter and powdered sugar until smooth.
- 10. Add in the vanilla extract, salt and milk and continue to mix until fully combined.
- 11. Mix in the green food coloring until you have reached your chosen shade of Christmas tree green.
- 12. Using a rubber spatula, scrape the edges of the bowl, gathering all of the frosting and spoon into a pipe bag with a star tip attachment.
- 13. Starting with the largest cookie size, pipe the frosting over the cookie, covering it completely in one layer.
- 14. Add the medium sized cookie on top and pipe frosting over, covering it completely.
- 15. Add the smallest cookie size on top of the frosting and finish the tree off with a small upwards piping, creating the tree tip.
- 16. Add Christmas sprinkles on the exposed frosting edges for the tree "ornaments" and one yellow star on top. Serve as is or allow to chill overnight for frosting to harden.
